

Biogeochemical Cycle Information Sheet

Student's Name: _____ Due date: _____ Possible Points: 36 Points Earned: _____

Biogeochemical Cycle Name	Vocabulary	Components	Cycle Flow	Information	Man's Influence Cause/Effect	Comments
1. Carbon						
2. Nitrogen						
3. Oxygen						
4. Phosphorus						
5. Rock						
6. Soil						
7. Sulfur						
8. Water						

One full page for each of the cycles. Typed, single spaced, 12pt. TNR, covering all the boxes above.
